1. This memorandum contains recommendations for the approval of the Acting Chief, DPD. Such recommendations are contained in paragraph 3.

2. Per referenced memorandum an early visit to SAC for the purpose of investigating B-58 flight clearance procedures is highly desirable. In addition, there are several other problem areas associated with OXCART that will require resolution with SAC. Following is a proposed agenda for the SAC visit:

a. B-58 Indoctrination:

(1) Inasmuch as the B-58 has transited the development to operational phase, an indoctrination of the operational problems SAC has encountered and of current B-58 operational procedures should be extremely advantageous to us in our operational planning. 25X1D
